

JUNIOR (YR 2, 3 & 4)

End of Year Concert 2023

Hair & Costume Info

We're so excited for our End of Year Concert - this is the highlight of our dance year!

If this is your first concert with us we can't wait to show you how fun and relaxed, yet professional, our End of Year Concert is, giving all our students the opportunity to perform on stage, build confidence and show you the dances they've been learning in class. But what really makes our concerts different? We put our families first with no extra rehearsals, no extra costume hire fees, no performer fees and no stage make up. The only time you will go to the theatre is on the concert afternoon, Friday 1st December, arriving by 4:45pm for a 5:30pm start time.

All students will perform at least 3 times on stage - the opening dance (all students), their class dance and the finale dance (all students).

DOES MY CHILD NEED A TICKET?

No, students aged 5+ who are performing do not require a ticket as they will remain backstage for the duration of the concert.
